Ngahere Home Learning Challenges

Year 5 and 6

Ngā mihi, congratulations! You are taking part in the Ngahere/Forest team Home Learning Challenge for 2022.

The personal choice challenges you choose are up to you because together, with your family, you may already be doing similar things which can be recognised as part of your home learning.

The tasks are designed to test you and challenge you to do your very best, some over a long period of time. Keep talking to your class teacher about the challenge you are working on and remember to keep a record of your work so when you have finished it, you have evidence of learning to present.

Good luck and enjoy doing some work which interests you.

About the Challenges:

- Choose at least 6 challenges from the following sections. Challenges can be from different sections. You can do more than 6 challenges, if you wish.
- Each challenge should take a minimum of 5 hours to complete (including the time taken to put the presentation together).
- Any photos taken of you completing your challenge can be emailed to the class teacher.
- It is up to you to make a time to present the challenge to your class and/or teacher.
- It is quality of the challenge activity not the presentation that counts eg. if you do three 2-hour walks, photos for evidence emailed to the teacher is enough.

ALL CHALLENGES MUST BE COMPLETED AND HANDED IN NO LATER THAN
FRIDAY 4 NOVEMBER 2022

Manaakitanga - Respect

- Give to others beyond your family. Raise money for an organisation or volunteer your time by helping at a community group.
- Give to your family by doing something for them eg. cook 3 meals or do 3 project jobs (eg. stack the firewood for winter, help build a chook house).
- Give your time by spending time with an elderly person in your family or an elderly person in your community.
- Respect the environment eg. collect rubbish, start up and use a worm farm, or make compost from the household food and garden scraps.
- Join a local group that looks after the environment eg. school garden club, Trees for Survival, Friends of Arataki for at least a term.
- Design your own respect challenge. Check with the teacher first before starting this challenge.

Manahau - Resilience

- Show resilience by participating in a sport or performing arts group for at least a season or two terms.
- Work on improving your swimming skills by taking swimming lessons for at least two terms.
- Undertake and complete 2 endurance events eg. X Race, Weetbix Tryathlon.
- Explore the outdoors by completing 3 challenging outdoor activities eg. three 2-hour bush walks, overnight camp away from home or in a hut constructed at home.
- Learn a new sport or physical activity eg. rock climbing, skateboarding, surfing.
- Learn a musical instrument for at least a two terms eg. guitar, keyboard, drums, violin, ukelele.
- Show resilience by learning to read an analogue clock to the half past, $\frac{1}{4}$ past and $\frac{1}{4}$ to the hour.
- Demonstrate resilience by learning a new craft eg. knitting, crocheting, embroidery, using iMovie, Garageband.
- Design your own resilience challenge. Check with the teacher first before starting this challenge.

Haepapatanga - Responsibility

- Keep your room tidy for at least 1 term, without your parent/caregiver's help.
- Make and pack your own lunch and drink bottle for four weeks.
- Take the walking school bus to and/or from school for a term.
- Take on the responsibility of looking after a family pet for a term.
- Design your own responsibility challenge. Check with the teacher first before starting this challenge.
